

Cursor Sponsorship:

Complete ownership of the navigational cursor, on the home page for a one week period, whenever a user is on the site. Once a user logs onto the site, the cursor changes into the client’s logo or image (e.g.-Sprite Bottle, Toyota logo, Slice of Pizza etc...). The cursor still contains the arrow to aid the user’s experience.

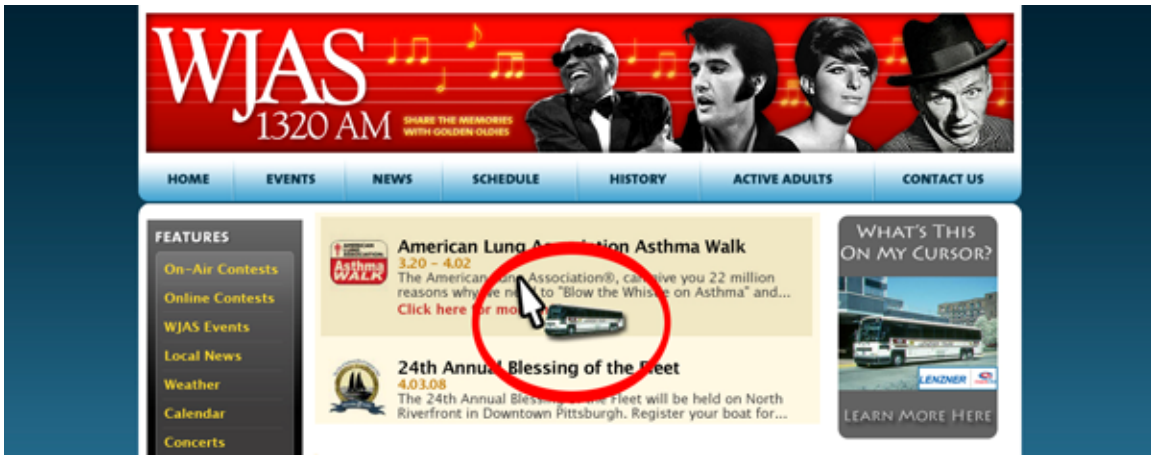

Includes:

- Client image cursor appearing on the home page of our website
- SuperTile Ad (150W x 200H) on home page with click through to the client’s website
- Inclusion in six on-air promotional mentions per week
- Inclusion in one email newsletter each week the cursor package is purchased

Best Use of this Application:

- Branding: Log on to MoneyTalk1360.com today. The Porsche Cayenne will be your host...helping you navigate through all areas of the site.
- Promoting a new product or service
